

EAGT 2015

**Waseda Workshop on
Game Theory and Related Topics**

9:40 - 16:30, 27 August 2015

WASEDA UNIVERSITY, Building 3, Room 405

Anybody interested in socio-economic problems, such as the following, is very welcome.

Waseda Workshop on Game Theory and Related Topics

Time: 2015 August 27 (Thursday); 09 : 40 – 16:30

Place: Waseda University, Waseda Campus, 3rd Building, Room 405

This is an informal workshop emphasizing exchanges of opinions and discussions. Presenters should prepare selected materials and speak slowly to invite questions from the audience. Each presenter prepares *at most* 25 slides for 55 minutes presentation.

I hope to have fruitful time and discussions in the workshop.

Organizer: Mamoru Kaneko

09:50- 10:45: Jeffrey J. Kline, University of Queensland, Australia

“Endogenous Formation of Social Customs from the Inductive Game Theory Perspective?”

10:55-11:50: Tarun Sabarwal, University of Kansas, US

“Directional Monotone Comparative Statics in Economics and Game Theory”

Lunch: 11:50-13:10

13:10- 14:05: Cheng-Zhong Qin, University of California, Santa Barbara,

“Advances in Bargaining and Applications”

14:15- 15:10: Alexandra Gheondea, Academia Romana, Romania

“Parallel Games with Non-comparable Pay-offs”

Coffee Break: 15:10-15:30

15:30- 16:25: Agnieszka Wiszniewska-Matyszek, University of Warsaw, Poland,

“Dynamic Oligopoly with Sticky Prices -- Off-steady-State Analysis”

After the workshop, we may go to some restaurant for more discussions with beer.
